Tech Stack

AI/ML Frameworks & Libraries

PyTorch, TensorFlow, Keras, Scikit-learn, Deep Learning, LLM, Reinforcement Learning,

Technologies

Docker, Git, Linux/Unix, Bash, Language Server Protocol, SQL and Graph Databases (neo4j, GraphQL).

Programming Languages

Python, Java, C, C++, SQL, HTML, CSS, Ruby

Hobbies

Data, Electronics & Robotics (DIY, hacking, tinkering), Video Games, Windsurf

Nathan Fitger

Master's Student in Artificial Intelligence at the University of Bordeaux

Currently seeking a final-year internship starting in april 2026 in the field of artificial intelligence. I am eager to leverage my technical skills and curiosity to take on new challenges. My previous experiences as an AI intern, IT infrastructure manager, and workshop facilitator have strengthened my teamwork, adaptability, and proficiency with various tools and programming languages.

Education

Master's Degree in Artificial Intelligence

From 2024 to April 2026 University of Bordeaux Bordeaux

Specialization: Advanced Databases and Network Science

Bachelor's Degree in Computer Science

From 2020 to 2024 University of Bordeaux Bordeaux

Web Developer Bootcamp

From September 2021 to November 2021 Le Wagon Bordeaux

Projects

DocGen_LLM

Since 2025 Open source project (maintainer/creator)

Automated code documentation generation for legacy/undocumented codebases (agnostic and privacy oriented).

TE AI CUP (Time series AI model)

From November 2025 to April 2026

Plating anomaly detection in production chain using time series analysis AI model

Mixture of Experts model

2025

Mixture of Experts models for NLP and image processing, with performance analysis against dense architectures.

ApiDays 2025 AI Thinkers Hackaton (4th place)

December 2025 Paris

MCP on Graph databases (neo4j stack) Based on data extracted from DocGen_LLM

Work experience

AI Internship

From May 2025 to July 2025

Gertrude.fr – Intelligent Transportation Systems Bordeaux

Developement of DocGen_LLM, Contributed to AI research projects on urban traffic.

Volunteer IT Infrastructure Manager & Treasurer

From 2019 to 2025 Jeunes-Sciences Bordeaux Bordeaux

Managed and maintained IT infrastructure, implemented ticketing systems, and provided technical support to users. Oversaw maintenance of computer equipment.

Robotics & Coding Instructor

From 2019 to 2025 Jeunes-Sciences Bordeaux Bordeaux

Taught and guided youth (8–17) in hands-on robotics and computer science activities

Seasonal Work in Hospitality

From 2021 to 2024 Eklo, Heiko, Island Poke Bordeaux
